

NEW JERSEY COLONIALS 2009-2010 SEASON

HISTORICALLY SPEAKING

In this day and age, there aren't many organizations that can say they've been around for over 37 years! We're still doing the job we set out to do: Teach and train young players to play the game of hockey. We started out in 1972 as a small organization of 10 or so teams. This year we will be putting over 30 teams and 600+ players on the ice, at all skill levels, from ages 6 to 18, boys and girls. We have a great line up of talented coaches, including Boys Hockey Director Noel Rubin and Girls Hockey Director and Olympic Gold Medalist, Shelley Looney. This year alone, we had 16 teams go into post season play, three of our Girl's teams are heading to Nationals. All in all, no matter what the economy has been over the years, we have remained a steadfast and solid organization that will provide players the kind of quality experience that will help your young athlete grow personally, emotionally and athletically. We will continue teaching them the values of teamwork, discipline, sportsmanship and dedication.

Come be part of the Colonial Experience!
